

Relax in Comfort... and Style

OUR SUITES

The property features 4 large villas, 3 of which contain two bedrooms, each with its own modern 4 piece en suite bath with Jacuzzi. The fourth villa comprises an exquisitely designed single bedroom, spacious, poolside suite.

Due to its excellent location, guests can enjoy breathtaking ocean views from the large encircling balconies.

Our stylish, spacious suites are designed with an exotic blend of West Indian tropical flair with exquisite furniture including beautifully designed

queen size beds with a modern minimalist flair. Each suite is equipped with solar water heaters, ceiling fans, wireless internet, CATV, DVD player, telephone, iron, and laundry with washer and dryer.

Our modern granite countertop kitchens are fully equipped with state of the art appliances like double door stainless steel refrigerators, large stainless steel gas cookers, microwave oven, coffee maker, toaster, electric kettle, blender, fully contained kitchen utensils among other accessories.
